

SoRo Solutions: Celebrations & Clearings Submission

(Or submit online.)

To improve our meetings as well as document the input of neighbors during and outside of meetings, Neighbors in South Roanoke invites you to send us your thoughts, whether it's a celebration or a clearing.

A celebration: Exciting news from your family; a shout out for a job well done, a kind gesture, or a milestone reached; a chance to share good news!

A clearing: A safety or security concern; an item you've reported to the appropriate city authorities you want to make NiSR aware of; a chance to keep neighbors informed; a good old' fashioned complaint.

Do not submit any item related to crime or criminal activity. Please contact the Roanoke City Police Department directly. In cases of emergencies, call 911. In NON-emergencies, call (540) 853-2411.

Please provide details of an item you wish to share with your SoRo neighbors.
